

The XXII Congress of the International Society for  
Photogrammetry and Remote Sensing  
25 August – 1 September 2012  
Melbourne Convention and Exhibition Centre, Melbourne, Australia

**International Archives of the Photogrammetry, Remote Sensing and Spatial Information Sciences**

**Volume XXXIX, Part B5, Commission V – eISSN 2194-9034**

The work of ISPRS Technical Commission V is devoted to Close-Range Sensing: Analysis and Applications. This volume collects the papers which have been selected based on the submitted abstracts. The abstracts were evaluated by the Technical Commission President and Working Group Chairs according to content, significance, originality, relevance and clearness of presentation.

We thank the authors for their contributions and the Working Groups Chairs for their reviews.

Mark Shortis, ISPRS2012 Technical Program Director

Jon Mills, Technical Commission V President

Sponsorship provided by Hexagon and ESRI for the XXII ISPRS Congress, and the sponsorship of these proceedings by the School of Mathematical and Geospatial Sciences, RMIT University, is gratefully acknowledged.
